Total	14,393	16,116	985

Species where most of the catch is in other targets

BSAI trawl gear

Most Alaska plaice is caught in the yellowfin sole target

Most Kamchatka flounder is caught in the arrowtooth flounder target

Most Other flatfish is caught in the yellowfin sole target

Most Flathead sole is caught in the flathead sole and yellowfin sole targets

Most Greenland turbot is caught in the arrowtooth flounder target

Most Sablefish is caught in the rockfish and arrowtooth flounder targets

BSAI hook-and-line gear

Most rockfish is caught in the sablefish, Pacific cod, and halibut targets

GOA trawl gear

Most Deep-water flatfish is in the arrowtooth flounder target

Most Sablefish is in the rockfish target (POP)

GOA hook-and-line gear

Demersal shelf rockfish is the rockfish fishery
